SCOPE: This unique workshop gives the attendee a glance into the world of the courts and their use of experts. Presented in dialogue by a former judge and an expert witness who has testified in over 100 court cases, the system is explained and is revealed in a manner that is enlightening and humorous.

OUTLINE:

I. THE LEGAL SYSTEM & THE FOUNDATION OF LAW

How law and the legal system developed.
Law as an outgrowth of the human nature

II. WHAT IS EVIDENCE

From the view of the Judge and the legal system.
From the viewpoint of the Expert.
Where both fit into the legal system.

III. WHAT IS THE EXPERT

As seen by the Judge.
How the Expert sees the Expert

IV. THE COURSE OF LITIGATION

How the Judge & the Attorney prepare for litigation.
How the Expert should prepare for litigation.

Time: 7 or 14 hours.

The second day is dedicated to a mock trial to demonstrate the court system and the principles of evidence and law.

An overhead projector and a dry erase board is required for the presentation.
